ZODIAC Music Boxes

In 1974, Stockhausen composed the 12 melodies of the star signs for music boxes and produced them in collaboration with technicians at the Reuge music box factory in Ste. Croix, Switzerland.

In 1989 the Reuge family sold the company, and the production of these music boxes was discontinued.

After extended negotiations on the part of Suzanne Stephens, and on the occasion of the composer’s 70th birthday, an agreement was reached for the manufacture of a one-time limited edition. These music boxes were checked by Suzanne Stephens and Antonio Pérez Abellán on location at the factory and adjusted there before they were shipped to Kürten.

This 70th Birthday Edition is limited to 40 music boxes for each star sign, numbered 1 to 40. They may be ordered directly from the Stockhausen-Verlag.

The melodies are encased in light-coloured natural wood boxes measuring 17.7 x 12.1 cm. The notes of the ZODIAC melody – hand-written and signed by the composer – are silk-screened onto the lid of each music box.
